To—The Deputy Commissioners of Districts, Treasury Department, Circular No. 1645, dated
9th February 1886.

With reference to standing orders, the Comptroller has the honor to request that the Deputy Commissioners will be good enough to scrutinize their revenue and judicial deposit accounts and the detailed statements of local remittances under entries Nos. 4 and 5 and take immediate measures for clearing them off in the accounts for March next.

(1). Deposit items not exceeding one rupee unclaimed for 12 months, (2) balances not exceeding one rupee partly repaid during the year, (3) deposits of whatever amount unclaimed for more than three complete account years ending 31st March 1886, should be credited to Government.

The sale proceeds of stray cattle kept in deposit for three months and unclaimed within that time should be transferred to credit of the "Municipal" or "District Funds" to which they belong.

Fines and all other items improperly credited to deposits or local remittances should likewise be transferred to credit of the heads to which they belong.

The District Treasury Officers aided by their Head Accountants should personally scrutinize the entries under the head Local Remittances Nos. 4 and 5, which, it is observed, contain many items belonging to revenue and other heads. They should be rectified by transfers in the District Treasury accounts and the Amildars should be instructed to correct their accounts accordingly.
